

# Software Release Notes

PrintSet 5.6.2

For Honeywell and Intermec bar code label and receipt printers

Version 5.06.02.0002

June 2018

## Overview

PrintSet 5 is configuration software for Intermec and Honeywell bar code label and receipt printers.

This document describes the new and improved features in PrintSet 5, but is not meant as a "how-to" guide. For details on the features of PrintSet 5 see the online help included with the software.

## Supported Hardware

- Intermec PC43d, PC43t and PC23d desktop printers
- Intermec PM43, PM43c and PM23c industrial printers
- Intermec PD43 and PD43c industrial printers
- Intermec PR2 and PR3 durable mobile receipt printers
  
- Honeywell PC42d, PC42t and PC42t plus desktop printers
- Honeywell PM42 industrial printer

## Supported Operating Systems

PrintSet 5 supports both 32-bit and 64-bit versions (where applicable) of the following Microsoft® Windows™ operating systems:

- Windows 10
- Windows 8
- Windows 7 Professional and Ultimate
- Windows Vista Business
- Windows XP Professional SP3

Please refer to the online help or the printer user manual for additional information on the features and use of PrintSet 5 with your printers.
